## HEALTH AND SAFETY IN THE WORKSHOP

Below are a number of symbols you might come across in a work environment. Write the correct description underneath each one (*descriptions are in random order, at the bottom of the page*).

			
Corrosive	Emergency Eye Wash	Foot protection required	Age restriction
			
Loud Noise	Flammable	Sound Horn	No Admittance
			
Risk of trapping hands	Explosive	Safety Harness required	Not drinking water
			
Radiation hazard	Safety Shower	Wear breathing apparatus	No Entry
			
Battery hazard	Two person lift	Face Shield required	No Running

Corrosive  
Foot protection required  
No Admittance  
Face Shield required  
Emergency Eye Wash  
No Entry  
Sound Horn

No running  
Loud Noise  
Not drinking water  
Flammable  
Radiation hazard  
Wear Breathing Apparatus  
Risk of trapping hands

Explosive  
Age restriction  
Safety Shower  
Battery hazard  
Two person lift  
Safety Harness Required
